## WE CAN ALSO ASSIST YOU WITH

### FIRE ALARMS & EXTINGUISHERS

Fire alarms should be tested weekly and serviced annually to confirm operation.

### LEGIONELLA TESTING

Legionella testing should be reviewed in a commercial setting at least every 2 years.

### FIRE DOORS

Fire Doors should be audited for general condition, seals and hinges every 6 months. A report will be provided on completion.

### FIRE RISK ASSESSMENTS

These should be completed to identify risks within your building. Fire Risk Assessments should be completed annually.

### SOLAR MAINTENANCE

It is recommended that solar panels are cleaned and serviced annually.

### CAR PARK AND WALKWAYS

Are your car parks and walkways compliant? Let us assist you with potholes, white lining and external lighting requirements.
